

JSKIT0636 Adjustable Ring Jig from Jtv.com

*Use the adjustable rings to show off your favorite seed beads or Chakra beads.

*Add dangles and beads to your designs for a whimsical look with lots of movement.

*Don't stop at just rings. Add ear wires to designs for one of a kind hoop earrings.

*Link several rings together with jump rings and use them as cool necklace components.

*Don't forget the chain! Link rings together with chains and charms to create fashionable handflowers...

or cascading earrings.

*Customize your designs even more by using Artistic Wire in your favorite colors!

All designs by artist Sara Ellis
